

## In Loving Memory of Baker High School

You may ask why, why BHS sadly around 9pm May 19, 2010 Baker High School was found burning to the ground there is no longer a roof on BHS.

I personally was in Baker just a few weeks ago. I was at Lions on the Lawn with Dwight Parker, My Mom Helen Hostilo, and Ricky Wilson. I was near the gym by the coach's room when suddenly.

I found a book. It was a grade book of a gym class.  
Ricky Wilson's name was in it. It was there class.  
What is the luck?

I might only be 11 years old, but I have had  
some great times at Baker High School.

I love Baker High School!
