My condolences to the family of Mr. Boyles. He had a full life and the love and respect of many. He was a positive influence in many young lives. May he rest in peace.

I wish someone would post for all of us a picture and the years he was at Baker. That would be special. Thanks Pete

Sending thoughts and prayers for Mr. Boyles' family and friends and all Lions. I hate that I did not get to personally speak to him at any of the recent Baker gatherings. To those Lions that were especially close to Mr. Boyles, my deepest sympathy.

"positive influence in many young lives" - "we lost a great man today" -

"We are all better people because of you" - "Thank you for being there for all of us" (great pic) -

"our dear principal: To his family, friends..of many years, I send condolences" -

and seems Sid summed it up for many: "..truly respected by all Lions, he was a
man."

Rest in peace, Mr. Boyles.

We as a Lion family all have suffered a great loss today. The man that put up with all of us, all the pranks, games, and a lot of foolishness has left this world to go and join all the lions that have passed on before him. Now it is their turn to share the laughs and memories that we have been sharing with Mr. Boyles in their absence.

May you all have a wonderful reunion with Mr. Boyles and may God Bless his family for letting him be a part of our lives. We are all much better people for having known him.

"The Real Lion sleeps tonight" RIP Mr. Boyles.

Lions,

I find it somewhat coincidental that in the span of our time we lost our building and our principal in the same moment. Just saying, it seems such a timely transition.

For me, Mr. Boyles was a dedicated educator with concern for the future of his students. I hope that passion on to his teachers and peers. We could use that inspiration today in our school and the rest of the world knows it or not; WE know that he was a totally positive influence for the students of BHS. His legacy remains with us and others.

Thank you Mr. Boyles, we never said it enough.

Mr. Boyles is and always will be the center of the Baker world.

He truly cared for HIS school and all the students that passed through it's great halls.

In heaven may he rest in peace.

Love spending time with my daughter and her family, but ready to get home where it's WARM! Today's' high 60 and windy...this morning it was 46....good grief what happened to Spring.

Although it's a sad day in Lion Country...try an make it a good day where ever you are...

Good Morning Bakerville,

Glenn told me to take a day or so before I post our feelings on the news of Mr. Boyles' passing. When I read of Mr. Boyles' stroke, I thought for sure he would make it, surely all the prayers and good thoughts would pull him threw. Reading of his passing was a shock and a disappointment. Guess God had better ideas than I, all of his family and his Lion Family. Now, he is again the "Head of the Lions Pride" in Heaven.

Mr. Boyles was a our leader, mentor, and love for so many years. He continued his love for all his cubs throughout our and his life for years. This we all can Thank God for giving him such a Giant heart to love and show his love.

I can envision Mr. Boyles being met at the Pearly Gates by all his cubs and wife,once again they are enjoying each other memories, cheers, tears, happiness and most of all the Love.
